

We are **RIXEN** - inventor and world leader of Full Size Cables.

With over 500 installations worldwide, Rixen has created a new sport for millions of enthusiasts: Wakeboarding without a motorboat. With the latest technology, the highest safety standards and decades of experience, we make water sports accessible to all and create a lasting awareness of the precious resource of water.

We are looking for you as

## Managing Director (m/f/d)

Full time

### Your responsibilities

- Overall and result-oriented management of the company
- Control and strategic development of all processes and operational units
- Continuous improvement and optimisation of all commercial, logistical, organisational and technical processes
- Sustainable human resources management of a team of 20 employees

### Your qualifications

- Degree in engineering or business administration
- At least 3 years of international sales experience in sports facility construction, real estate management or leisure park development
- Strong communication and negotiation skills in an intercultural context, combined with a very good command of English
- Enthusiastic (water) skier
- Entrepreneurial vision with a down-to-earth attitude, coupled with the ability to inspire people with new ideas

### We offer

- Responsibility for a high-potential business in an exciting, growing environment
- High degree of creative and decision-making freedom
- Performance-related pay, company pension scheme and regular voucher promotions
- High quality workshop and workstation equipment
- Reduced price lunches in our canteen, free coffee and mineral water

### How to apply

Get started now by sending us your CV. A cover letter is not required.  
Preferably by email to the address below. We will get back to you within a few days.  
Your contact person, Eva Pagenberg, is looking forward to hearing from you.
